

Young Members' Technical Conference

Call for Papers

Technical conference of Young Members of the Institution of Engineers, Sri Lanka will be held on 19th October, 2019 during its Annual sessions.

This conference would provide an opportunity for all young members of the institution a forum to present their technical papers and discuss engineering related topics with industry professionals. It is also aimed at promoting interaction among the young members of the Profession and providing a platform to broad base their knowledge on specific subject matters.

Eligibility

All Corporate and Associate Members below 35 years and all Student Members are eligible to submit papers

Subjects

The papers submitted could be in any engineering discipline and may be based on the following.

- ² Research and development
- ² Education
- ² Case studies in problem handling and solving
- ² Inventions
- ² Improvements to existing systems

Young Members who are interested in submitting papers are requested to send the Full Paper including abstract of about 250 words they intend to present at the session, to the Manager Publicity of the Institution, by email: to mgr.pub@iesl.lk and ieslpub@gmail.com (in MS Word), with subject titled "Annual Sessions - Young Members' Technical Conference" and hard copy by postal mail to the Manager Publicity, The Institution of Engineers, Sri Lanka, 120/15, Wijerama Mawatha, Colombo 07., to reach him on or before 31st May 2019. Authors of selected papers based on the abstracts, will be given an opportunity to present their papers during the Annual Sessions. Best papers based on the marks given by referees together with those given by the judges for the presentation will be entitled to the prestigious late Eng. Chandrasena Award.

Please write "Young Members' Technical Conference" clearly on the left hand corner of the envelope sent by post
