

## Sri Lankan Winners of IEEEExtreme 10.0

The IEEEExtreme 10.0, the global coding competition for the year 2016, was held from 5.30 a.m. on 22nd October until the following day morning at the Computer Engineering Department premises of University of Peradeniya. Thousands of student groups from around the world participate in this global coding competition organized every year by the world's largest professional body, the Institute of Electrical & Electronic Engineers (IEEE).

In this year, more than 30 teams represented IEEE Student Branch of University of Peradeniya in IEEEExtreme 10.0 while many teams including team "biteCode" and team "Codebros" lead the Sri Lankan leader board from the very beginning. And at the end of the 24 hours, team 'biteCode' secured the first place in Sri Lanka and 62nd place in the world leader board. The team "biteCode" was represented by GihanChanaka, SamurdhiKarunarathne, andHarshanaSumedha.
