

The new instructors of the Department will be presenting their research interests at the Department of Engineering Mathematics Seminar Room.

Date : Thursday, 11th February 2016

Time : 10.30 am to 11.30 am

Venue: Math seminar room

- (1) 9.30 am - 9.50 am : Hasitha Anuradha(B.Sc. Electrical Engineering, University of Moratuwa)

Title: **"Enhanced path planning algorithm for navigation of autonomous systems"**

- (2) 10.00 am - 10.20 am : Shanika Chandrasena(B.Sc. Mathematics Special, University of Peradeniya)

Title: **"On products of half plane mapping"**

Date : Thursday, 18th February 2016

Time : 10.30 am to 11.30 am

Venue: Math seminar room

- (3) 9.30 am - 9.50 am : Dananjaya Liyanage(B.Sc. Electrical Engineering, University of Peradeniya)

Title: **"Stereo Vision"**

- (4) 110.00 am - 10.20 am : Aruni Jayathilake(B.Sc., M.Sc. applied statistics (ongoing), University of Peradeniya)

Title: **"Drought Analysis in Hambanthota using trivariate copula"**

Date : Thursday, 25th February 2016

Time : 10.30 am to 11.30 am

Venue: Math seminar room

- (5) 9.30 am - 9.50 am : Gayana Jayasinghe(B.Sc. Electrical Engineering, University of Peradeniya)

Title: **"Foreground estimation"**

- (6) 10.00 am - 10.20 am : Sujeewah Jeevarajan(B.Sc. Electrical Engineering, University of Peradeniya)

Title: **"Investigating the effect of network coding in video transmission"**
