

## ENTREPRENEURSHIP WORKSHOP SERIES

**ETiC**

Organized by the  
**Engineering Technology Incubation Centre  
&  
Department of Engineering Management**

### ***“Entrepreneurial Journey: from Nothing to Everything”***

An inspirational talk on how you can become an entrepreneur starting from zero.

#### **By Eng Ruwan Edirisinghe**

Mr Ruwan Edirisinghe is the entrepreneur behind one of Sri Lanka's most successful homegrown group of construction companies, the RN Group. He is a graduate of the Department of Civil Engineering at the University of Peradeniya and he also holds a Post-Graduate Diploma in Construction Management from the University of Moratuwa. He has won various awards in recognition of his entrepreneurial accomplishments. Mr. Edirisinghe also holds multiple leadership positions in national and regional bodies.

**January 23, 2025**

**5:00PM**
